

b. If, at the time of loss, the amount of insurance in this policy on the damaged building is less than 80% of the full replacement cost of the building immediately before the loss, we will pay the greater of the following amounts, but not more than the limit of liability under this policy that applies to the building:

- (1) The actual cash value of that part of the building damaged; or
- (2) That proportion of the cost to repair or replace, without deduction for depreciation, that part of the building damaged, which the total amount of insurance in this policy on the damaged building bears to 80% of the replacement cost of the building.

c. To determine the amount of insurance required to equal 80% of the full replacement cost of the building immediately before the loss, do not include the value of:

- (1) Excavations, footings, foundations, piers, or any other structures or devices that support all or part of the building, which are below the undersurface of the lowest basement floor;
- (2) Those supports described in (1) above which are below the surface of the ground inside the foundation walls, if there is no basement; and
- (3) Underground flues, pipes, wiring and drains.

d. We will pay no more than the actual cash value of the damage until actual repair or replacement is complete. Once actual repair or replacement is complete, we will settle the loss as noted in 2.a. and b. above.

However, if the cost to repair or replace the damage is both:

- (1) Less than 5% of the amount of insurance in this policy on the building; and
- (2) Less than \$2,500;

we will settle the loss as noted in 2.a. and b. above whether or not actual repair or replacement is complete.

e. You may disregard the replacement cost loss settlement provisions and make claim under this policy for loss to buildings on an actual cash value basis. You may then make claim for any additional liability according to the provisions of this Condition D. Loss Settlement, provided you notify us, within 180 days after the date of loss, of your intent to repair or replace the damaged building.

E. Loss To A Pair Or Set

In case of loss to a pair or set we may elect to:

1. Repair or replace any part to restore the pair or set to its value before the loss; or
2. Pay the difference between actual cash value of the property before and after the loss.

F. Appraisal

If you and we fail to agree on the amount of loss, either may demand an appraisal of the loss. In this event, each party will choose a competent and impartial appraiser within 20 days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the state where the "residence premises" is located. The appraisers will separately set the amount of loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of loss.

Each party will:

1. Pay its own appraiser; and
2. Bear the other expenses of the appraisal and umpire equally.

G. Other Insurance And Service Agreement

If a loss covered by this policy is also covered by:

1. Other insurance, we will pay only the proportion of the loss that the limit of liability that applies under this policy bears to the total amount of insurance covering the loss; or
2. A service agreement, this insurance is excess over any amounts payable under any such agreement. Service agreement means a service plan, property restoration plan, home warranty or other similar service warranty agreement, even if it is characterized as insurance.
